Re: Visit by J. Jones and D. Marcheldon to Josephine's School Of Hair
Fashion, December 9, 1982.

Dear Mr. Cox:

On December 9, 1982 my A.M. activity was a basic set. While my man-
equin was driving I sat for approximately 5 minutes to complete my report-
ing in on my daily paper. This took place sometime between 10:00 and
11:00 A.M. I was using a chair in the dryer section with plenty of
room for me to exit around it and was not a fire hazard. At 11:00 A.M.
the instructor conducted a class on Safety Precautions which was the
reason for the chairs being lined up for entire group participation.

Sincerely,

Paul Cooper
Student/Josephine's School of Hair Fashion
